Corporate Sponsors

The **Support Us** page recognises annual corporate sponsors and partners with a logo wall, under the *Corporate Giving* tab.

Opening the sponsor list

Go to **Sponsors & Partners → Update sponsor recognition**.

Section fields

Field	Notes
Recognition year	A four-digit year. Shown above the heading as "*2026* recognition".
Section heading	For example, "Annual Corporate Sponsors & Partners".
Introductory text	A short thank-you paragraph under the heading.

Sponsor fields

Field	Required?	Notes
Show this sponsor on the website	Yes	Turn off to hide a sponsor without deleting it.
Organization name	Yes	Used as the logo's alt text for screen readers.
Logo	Yes	Upload the logo image. See the tips below.
Website URL	No	A full `https://` address. If set, the logo becomes a link.

New sponsors are added at the top. **Drag entries to set the display order.**

Starting a new sponsorship year

1. Update **Recognition year** and, if needed, the heading and intro.
2. Hide or delete sponsors who didn't renew.
3. Add new sponsors and reorder the list.
4. Publish.

Logo tips

- Use a **PNG with a transparent background** where available. JPG is fine for logos with a solid white background.
- About **600 px wide** is plenty. Very large files (over 1 MB) slow the page down, so ask the sponsor for a web version.
- Use a horizontal (landscape) logo where possible. Tall logos appear small.
